O.P. No. 15335 of 1996 A

Dated, this the 28th day of February, 2007

J U D G M E N T

This original petition filed in 1996, was for a direction to the respondents to prohibit parking of taxies in front of the shops of the petitioners. I do not think this original petition has any relevance as of now because lot of changes would have taken place in that area. In any case, it is the duty of the local authority and the PWD and the Police to arrange space for parking taxies without affecting the free ingress and egress of petitioner's shops, immediately on production of a copy of this judgment by the petitioner. The Circle Inspector of Police will ensure that the parking area is earmarked without any obstruction to the traffic or to the petitioners.
